**A Celebration of Survival:
Stories from Iraqi Refugees & Local Vets**

Saturday, Oct. 12, 2:30–4:00 PM

Friends Center, 1501 Cherry St, Philadelphia, PA

Join us for a special event where we'll showcase digital stories (short films) by Iraqi refugees and local veterans. Presented together, this moving collection provides up close and personal perspectives and experiences by groups who are often misunderstood. We are proud of the connections we have made in joining these two communities and the friendships that have been built. After the viewing, you will hear from some of the artists including some performance poets!! This project was organized by Warrior Writers, originally funded by the Stockton Rush Bartol Foundation and supported by PhillyCAM.

Free and Open to the Public.
Refreshments will be served.
